

SEWER ELECTION
FRIDAY, APRIL 23

Councilmen Vote to Leave Matter
of Building Sewerage System
Up to Voters.

COUNCIL DIVIDED ON QUESTION

Sewer Committee Had Recommended
That Preliminary Survey Be
Made Immediately.

A city election has been called for Friday, April 23, for the purpose of giving the people of Seymour an opportunity to decide whether or not a new sewerage system is to be built in the near future. This action was taken by the council at its regular session Wednesday night following considerable discussion by the council members and Albert H. Ahlbrand and George T. Bartlett, members of the citizens' sewer committee.

The sewer proposition was discussed from every angle by the councilmen and talks were made by Mr. Ahlbrand and Mr. Bartlett. The question that gave cause for much discussion was whether or not the city should go to the expense of having a preliminary survey for the proposed sewerage system regardless as to whether the new system was to be built in the near future. Messrs. Ahlbrand and Bartlett and Councilmen Ireland, Buse and Collins were in favor of having a preliminary survey made inasmuch as the city would be well repaid by having data for use in making extensions or for building a new system.

Councilmen Goodale, Hoadley, Goss and Emery took the stand that it would be a waste of money to go ahead and spend between \$1,500 and \$2,000 for a preliminary survey without knowing that the specifications would be used.

All of the councilmen were unanimous in the opinion that the matter of building the sewerage system should be left to a referendum vote of the people. However, some of the councilmen thought that it was not necessary to take a vote on the matter of having a preliminary survey for a sewerage system as it was pointed out that the data was much needed as the city has no records showing the location of sewers and other data that is very essential. It is believed that the money would be well spent in having the survey made.

A motion was introduced by Hoadley instructing the city officials to call an election on April 23 for the purpose of permitting the voters of the city to decide whether or not they want a new sewerage system, which is estimated to cost between \$200,000 and \$250,000. The motion was adopted by a vote of four to three, Hoadley, Goodale, Goss and Emery voting in favor of the motion, and Ireland, Buse and Collins against it. The matter of having a preliminary survey made in advance was defeated by a vote of four to three, Ireland, Buse and Collins voting in its favor, and Hoadley, Goss, Goodale and Emery against.

A committee, composed of Councilmen Goss, Buse and Goodale and the city clerk, was appointed to make arrangements for the election. The committee was instructed to arrange for two voting places, one on each side of the Baltimore & Ohio railroad, have ballots printed and make necessary arrangements for conducting the election. The polls will open at 6 o'clock in the morning and close at 8 o'clock at night.

The council committee appointed to investigate the responsibility of the engineering firms that offered bids for making a preliminary survey for a sewerage system in this city reported that they had made an investigation and found that all concerns were responsible and capable of doing the work. The committee recently made a trip to Indianapolis and obtained information concerning Charles Hurd, an Indianapolis engineer, and reported that he was responsible and recommended that his

PHONE HEARING IS
SET FOR APRIL 10

Seymour Telephone Company Files
Petition for Further Increase
in Rates Here.

CITY TO PREPARE FOR DEFENSE

Special Session of Council May be
Called to Consider Advisability
of Employing Expert.

Official notice from the Indiana Public Service Commission was received here today that the hearing on the petition of the Seymour Mutual Telephone Company for authority to increase its rates in this city will be held at the city building at 10 o'clock Tuesday morning, April 20. At the time the company filed its petition it was stated unofficially that the hearing would be conducted next Saturday, but the commission fixed a later date so that the public and the city might have ample opportunity to prepare its defense in case any is to be presented.

It was understood that the matter of defense on the part of the city was to have been discussed at the regular meeting of the council last night but because of the time devoted to other business this was overlooked. A few of the councilmen met at the office of Mayor C. W. Burkart this morning, however, and informally discussed plans for resisting the petition of the company for higher rates.

It is known that a number of patrons have suggested to the members of the council and the city officials that the city arrange to present as strong a defense as possible. It has been pointed out that a material advance in rates was granted by the commission effective December 1 and many of the patrons are of the opinion that if the city's case is presented in its strongest light the commission will refuse to grant the request of the company.

Mayor Burkart stated this morning that some of the councilmen had suggested that an expert engineer and accountant be employed to make a survey of the property here and to analyze the books of the company. At the former hearings in which the telephone company was the petitioner no attempt has been made to go into the earnings and expenditures in a thorough manner and the records of the company have been challenged only with such information as the local authorities could obtain. Some of the councilmen, it is known, are of the opinion that the expense of an expert to testify in the coming hearing would be more than offset by the lower rate that would be given.

At the time the last increase was granted, L. C. Griffiths, the president, stated that the advances were not sufficient to take care of the soaring costs of material and labor and that a deficit of approximately \$250 a month would be incurred during the present year unless rates are again revised.

It is expected that the council will reach a definite conclusion within the next few days as to whether or not an expert will be employed and it is likely that a special session of the council will be called late this week or early next week to take official action.

MODERN CLIFF DWELLERS IN FRANCE

Unfortunate persons of France whose houses have been destroyed through the ravages of war have hit upon a novel idea evolved by man centuries ago. Cliff dwellings neatly arranged on the side of mountains are serving many in these trying days. This photograph shows one of the many cliff dwellings seen at Dieppe, France.

COMMITTEE URGES CITY TO BE STOP
DEFINITE ACTION ON AERIAL ROUTE

Explains Reasons for Recommending
to Council That Preliminary
Survey be Made.

MAP OF SYSTEM IS ESSENTIAL

Manner in Which Improvement is to
be Made Should be Revealed
First, It is Contended.

In explanation of the work that has been done by the special sewerage committee and the recommendation that it filed with the city council, A. H. Ahlbrand, a member of the committee, today filed a statement that is of much interest in view of the action taken by the council. Mr. Ahlbrand, who has given much attention to this matter, takes the attitude that the council ought to have a definite policy before it and that this cannot be done until a survey is made of the sewerage system and the changes needed are recommended by an expert engineer. His idea is that the preliminary survey ought to be made immediately so that any extensions that may be ordered built now would conform with a permanent system of drainage that may be constructed later. The city has no sewerage plat at this time it is pointed out, and sewerage laterals and connections have been made without any definite drainage policy in mind.

The statement issued by Mr. Ahlbrand follows: Relative to the Sewer situation: The City Council appointed a committee, consisting of Mayor Burkart, Engineer Hall, Councilmen Emery, Ireland and Buse to act jointly with a citizens' committee consisting of Clark B. Davis from the First Ward, Geo. T. Bartlett Second Ward, Dr. G. G. Graessle Third Ward, Peter Niehter Fourth Ward and Albert H. Ahlbrand, Fifth Ward.

This committee was to consider the advisability of having a survey, plans and specifications made for a Sewerage system for the city. They held numerous meetings consulting with engineers from Columbus, Ohio, Toledo, Ohio, Indianapolis, Ind., and two local engineers. They also had four propositions to do the work. After canvassing the situation from every angle they unanimously agreed to recommend to the City Council to employ Mr. Hurd of Indianapolis, an engineer of high standing, to make a survey of the city, locating every sewer, the size, depth and flow of same, make a topographical map showing all elevations, complete plans, specifications and necessary maps; Also all necessary data covering the sewerage system for Seymour for the present requirements as well as future growth, the proper size and depth of the sewer so as to accommodate the entire city. He was also to make an estimate of the possible cost of the entire system or any part thereof. This work to in-

ELECTION COMMISSIONERS
FOR PRIMARY ORGANIZE

Dr. Harry S. Shields Elected President—Clerks to Canvass Vote
to be Named Later.

Dr. Harry S. Shields, Republican election commissioner in Jackson county, Allen L. Lucas, Democratic member and Frank Schornick, county clerk, who is a member of the board by virtue of his office, organized Wednesday night in preparation for the primary election to be held April 4. Dr. Shields was elected president, Mr. Lucas, vice-president and Mr. Schornick, clerk of the election board. Preliminary matters were discussed and the appointment of clerks to canvass the vote when it is filed with the board after the polls are closed will be named later.

Henry Vahl, of Brownstown, who filed late Saturday afternoon as a candidate for the Democratic nomination for treasurer, has withdrawn from the race. This leaves H. H. Tinch, Democratic candidate for treasurer, without opposition. Henry Price of this city, also filed late Saturday for Democratic precinct committeeman from the Tenth Jackson township precinct. He is opposed by John T. Abell, who has served in that capacity for several years.

STRIKE SPREADS
TO OTHER CITIES

Railroad Yardmen Leaving Posts in
Defiance of Organized
Labor.

SYMPATHETIC WALKOUTS

All Strikes Termed Illegal by Officials
of The Four Principal
Brotherhoods.

Chicago, April 7—Strike of railroad yardmen in defiance of organized labor continued here today with the likelihood of it spreading.

Sympathetic strikes have already broken out in other cities. Buffalo, N. Y., switchmen on seven railroads running out of there are reported out. Firemen and engineers there voted to walk out in sympathy. 2,500 switchmen on all lines entering Kansas City struck last night. Switchmen at St. Louis, Mo., and East St. Louis, Ill., are expected to strike this week.

Freight handlers in Cincinnati railroad yards have put in demands for increases threatening to strike. Several Illinois cities report sympathetic strikes with the Chicago switchmen and organizers are endeavoring to form locals at many points with the Chicago yardmen's association, the insurgents' union.

All the strikes are termed as illegal by the big four brotherhood officials.

The public got a taste of the strike today. Retail meat prices went up ten and fifteen cents a pound. A fuel famine is threatened should the strike spread further.

Police were investigating today the destruction by fire of sixteen box cars here yesterday. City officials are preparing to meet a milk shortage.

The strike has resulted in 50,000 persons being thrown out of work. Practically all employees of the stock yards are idle today because of the strike tying up live stock shipments. Today the strikers claimed 16,500 were on strike.

HOUSE EXPECTED TO PASS
PEACE RESOLUTION TODAY

Democratic Leader Clark Said It Is
Unconstitutional and Would
Never be Effective.

Washington, April 7—The resolution of Republican leaders declaring peace with Germany came before the house today with every indication it will be passed and sent to the senate. A canvass by party leaders showed that it is doubtful if the resolution will receive a two-thirds majority necessary to assure passage over a veto. Shortly before the house met Republican Leader Mondell declared the resolution was certain to pass as scheduled. Democratic Leader Clark admitted it might pass, but predicted it would be found unconstitutional and never made effective.

Austin M. Retherford Dead.

Anderson, Ind., April 8—State Senator Austin M. Retherford, 54 years old, was dead today according to word received here from Hot Springs, Ark., Retherford went to Hot Springs a month ago to recuperate following a nervous breakdown. Funeral arrangements have not been announced.

Equal Representation.

Indianapolis, Ind., April 8—Republican and Democratic party leaders are called on to give women equal representation in state conventions in a resolution Miss Mae B. Helmer, of Terre Haute, will press for adoption before the Indiana Women's Franchise League today.

Notice.

William Spicklemeier.

GERMAN CITIZENS
KILLED IN CLASH

Trouble Occurs in Frankfort When
Citizens Taunt Officers of
French Army.

10 KILLED AND 35 WOUNDED

Riot Follows Report French Had
Been Instructed to Evacuate
Germany Territory.

Frankfort, April 8—French troops and citizens clashed here yesterday afternoon. A number of citizens were killed and wounded. Great crowds gathered in the streets after a rumor had been circulated that the United States and Great Britain had demanded that France evacuate Frankfort by 6 o'clock.

One of the incidents contributing to the fatal clash was an alleged attack upon a German reserve officer by French officers. The French accused the German of passing improper remarks.

Citizens began taunting the French soldiers. One patrol was overpowered and disarmed. French troops charged the crowd and for a few minutes there was severe fighting. It is thought ten were killed and thirty-five wounded. Tanks armed with machine guns finally cleared the streets and restored order.

Rioting had appeared imminent throughout the day. Speakers addressed crowds at different points in the city and patrols were kept busy dispersing the gatherings, which were in violation of General De Gouttes proclamation.

The French commander had forbidden gatherings of any kind. The situation was admittedly tense to-night. Heavy patrols marched through the streets and the military regulations were enforced rigidly. The disorder in Frankfort were attributed by General De Goutte to orders from Berlin.

The British consul and the French governor denied reports that the United States and Great Britain had requested withdrawal of the French troops. They attributed the rumors to the German nationalists. Additional French troops and airplanes arrived this afternoon.

FOUR BIG BROTHERHOODS
OPPOSE RAILROAD STRIKE

Officers Send Representatives to
Centers Where Yardmen Are
Walking Out.

Cleveland, O., April 8—Officials of the Big Four Railroad Brotherhood were in conference here today on plans to prevent the spread of the yard workers strike which started in Chicago. The officials condemned the strike in Chicago, Toledo, Kansas City and Buffalo as illegal. The head of the brotherhood of firemen and engineers said he had sent officers to Buffalo and Kansas City and ordered chairman to convene to in all parts of the country in an effort to keep organized workers from participating in the strike.

Unique Show at Majestic Tonight.

In addition to the regular picture, Virginia Pearson in "Impossible Catherine," at the Majestic Theater tonight, Chief Red Feather and Princess Nio-no-ta-ah, two real Indians, will give a unique entertainment. They are full-blooded American Indians, one a princess of the Iroquois nation, the other a chief of the Cherokee nation of Oklahoma. Both these Indians are college bred, cultured, keen and interesting talkers. They draw interesting comparison between the old Indian methods of fighting and the methods employed in the present war. Part of the entertainment is devoted to the recital of the old Indian chants and songs. The entire performance of these natives breathes of the old Indian life.

They are cultured Indians who speak and sing in three languages; French, English and Indian. In unique entertainment given in full Indian costume of interest to every man, woman and child.

Mrs. Harry Meloy, of North Vernon, was in the city today to see Mr. Meloy, who is in the hospital.

REVENUE COLLECTIONS.

The bureau of internal revenue has announced that in 1919 it collected a total of \$3,850,150,078.50, of which \$2,600,783,902.70 was in income and excess profit taxes. The total cost of administering the internal revenue law for the year was \$20,573,771.52 or .534 per cent. of the total collections. The cost of administration in 1918 was .325 per cent. when the expenditures amounted to \$12,003,214.07 and the collections were \$4,698,955,820.93.

The bureau explains that the increase in ratio was due chiefly to three causes: the program of investigating and auditing tax cases was greatly advanced during the years 1919, it says. Large expenditures were made in connection with the assessment of income and profit taxes under the revenue act of 1918, although collections from these assessments were payable on the installment plan and final settlement was not made by some until 1920. The child labor law and similar measures which are not intended to yield a revenue commensurate with the cost of administration added materially to the expense of operation, it is explained.

The significant feature of the statement is not the percentage cost of administration but the enormous amount of money that is paid to the government under the revenue laws. Herein lies one of the solutions of the high cost of living and the ever soaring price of materials. It is a mistaken idea to believe that the consumer does not in the end pay this enormous amount. Income and excess profit taxes in the last analysis become a fixed expense with any concern. They are taken into account in fixing costs the consumers must pay. When we remember that a little extra is added to every price from the time of the production of the raw material until the finished article is sold over the counter we are not surprised that the retail prices of even small articles are considerably more. The high cost of living is due largely to the high cost of administration of government. The public today is impressed more than ever before that the government is not an intangible something. It is an organization composed of individuals and each pays for its maintenance.

POLITICAL ANNOUNCEMENTS

Announcement Fees.
The following fees are charged for political announcements published in each issue of the Daily and Weekly Republican until the primary election Tuesday, May 4, 1920. These fees are payable when the announcement is ordered and names will appear in the order in which they are received and paid for.
Congress, \$15.00
Auditor, Treasurer, Sheriff, Joint Senator, Representative, Prosecuting Attorney, \$10.00
Coroner, Surveyor, Commissioner, \$7.50.

REPUBLICAN CANDIDATES.

We are authorized to announce the following candidates for nomination for county and district offices subject to the decision of the Republican primary election to be held Tuesday, May 4, 1920.

For Joint Senator
FRANK B. BUTLER
of Jackson County.

For Prosecuting Attorney.
JACKSON and LAWRENCE COUNTIES.
HAROLD KELLY,
of Mitchell.

S. B. LOWE
of Lawrence County

J. W. MOSIER
of Lawrence County.

For Treasurer.
J. PAUL McMILLAN,
of Carr Township.

for Auditor.
JOHN L. SPRAGUE
of Pershing Township.

ROBERT (BOB) P. WHITE
of Jackson Township.

For Sheriff.
T. J. PLUMMER,
of Carr Township.

J. ULYSSES MONTGOMERY
of Redding Township.

NELSON SMITH
Brownstown Township.

DEMOCRATIC CANDIDATES.

We are authorized to announce the following candidates for nomination for county and district offices subject to the decision of the Democrat primary election to be held Tuesday, May 4, 1920.

For Congress, Fourth District
C. E. CUSTER,
of Bartholomew County.

For Treasurer
CHARLES C. TINCH
of Pershing Township.

For Auditor.
CHAUNCEY F. LAUTZENHEISER,
of Brownstown township.

For Sheriff
J. OTIS HAYS,
of Brownstown Township

for the office of Prosecuting Attorney my name will appear on the primary ballot. I have two opponents and you are to determine whose name shall be on the ticket next fall as the candidate for Prosecutor. I am now holding my first term, in the circuit as now composed, of Lawrence and Jackson counties.

I have always tried to perform the duties of the office in a way that I thought would meet the approval of a majority of the sensible and fairminded people of the circuit without regard to suggestions coming from personal, partisan or private interests. While I have not accomplished my highest ideals I feel confident that my renewed acquaintance with the duties of the office will enable me to make improvements, here and there, in the future.

On such account I feel desirous of a second nomination at the hands of my party. I do not feel that I have violated the confidence of the people or proved unworthy of the trust they reposed in me when they elected me in the fall of 1918, and, therefore, I come with a clear conscience asking a renomination according to the usual custom of existing political parties.

I ask the voters at the primary to think it over, bearing in mind the best interests of the public, and if they decide that someone else is more deserving of the nomination than I, there will be no complaint made, but I will take my place, where I always have been, among republicans devoted to law and order, good government and the general uplift of mankind.

Yours Truly
SIMPSON-B. LOWE,
Prosecuting Attorney.

Acid-Stomach Makes 9 Out of 10 People Suffer

Doctors declare that more than 70 non-organic diseases can be traced to Acid-Stomach. Starting with indigestion, heartburn, belching, food-repeating, bloating, sour, gassy stomach, the entire system eventually becomes affected, every vital organ suffering in some degree or other. You see these victims of Acid-Stomach everywhere—people who are subject to nervousness, headache, insomnia, biliousness—people who suffer from rheumatism, lumbago, sciatica and aches and pains all over the body. It is safe to say that about 9 people out of 10 suffer to some extent from Acid-Stomach.

If you suffer from stomach trouble or, even if you do not feel any stomach distress, yet are weak and ailing, feel tired and dragged out, lack pep and enthusiasm and know that something is wrong although you cannot locate the exact cause of your trouble—you naturally want to get back your grip on health as quickly as possible. Then take EATONIC, the wonderful modern remedy that brings quick relief from pains of indigestion, belching, gassy bloating, etc. Keep your stomach strong, clean and sweet. See how your general health improves—how quickly the old-time vim, vigor and vitality come back! Get a big 50c box of EATONIC from your druggist today. It is guaranteed to please you. If you are not satisfied your druggist will refund your money.

REDUCE YOUR WEIGHT

Simple, Safe, Reliable Way

If you are carrying around ten to sixty pounds of unhealthy fat you are undoubtedly weakening your vital organs and are bearing a burden which destroys the beauty of your figure.

Why continue a victim of superfluous fat? If you want to reduce your weight in a simple, safe and reliable way, without starvation diet or strenuous exercise, the korein system is just what you should try. Spend some time daily in the open air, take seven deep breaths each morning and use oil of korein following simple directions that come with the box. Weigh and measure yourself once a week.

Oil of korein is absolutely harmless, is pleasant to take. Even a few days' self-treatment has often been reported to show a noticeable reduction in weight and measurements. Your work becomes easier; a more buoyant, vigorous feeling takes possession of your whole body and mind. WOMEN: Become attractive, look and feel younger; add years to your life. Be surprised and delighted. Amaze your friends. First, obtain a box of oil of korein at any busy drug store. A \$100 guarantee in each box that by following korein system you will lose 10 to 25 pounds, whatever weight you wish. A brochure will be mailed (plain wrapper) free by Korein Co. Station F, New York, N. Y.

Before and After

SOCIAL EVENTS

ANNIVERSARY CELEBRATION.

The Rebekah Lodge will celebrate the sixteenth anniversary of their organization this evening in the I. O. O. F. Hall. The following program has been arranged:

Welcome Address.....Mrs. Elsie Moses, N. G.
Music.....Zickler's Saxophone Quartet
Recitation.....Miss Ruth Bottorff
Piano Solo.....Miss Esther Short
Saxophone Solo.....Kervall Goodwin, accompanied by Howard Ross.
Recitation.....Madeline Findley
Music.....Norman Barkman and daughters, Norma and Mary Margaret.

Reading.....Mrs. Minnie Marquett
Saxophone Solo.....Kervall Goodwin, accompanied by Omega Wheaton.
Vocal Solo.....Leonard Bartlett
Violin Solo.....Hulda Osterman
Reading.....Milton Hanauer
Music.....Zickler's Saxophone Quartet
After the program a two course luncheon will be served.

BIRTHDAY PARTY.

Miss Martha Bradbury, daughter of Mr. and Mrs. John Bradbury, 619 North Walnut street, entertained a number of guests Wednesday afternoon, celebrating her seventh birthday anniversary. The afternoon was spent with games, and refreshments of ice cream and cake were served. The table centerpiece was a birthday cake containing seven candles and the color scheme of pink and white was carried out in the ices.

The guests included Frieda Slunz, Susan Jeanette Johnson, Harriett and Catherine Purkiser, Zearita May Purkiser, Deloris Van Hoy, Jean and Donald Connerley, Donald Vlevis, James Shields, Harry Robert Purkiser, Mrs. Harry Purkiser and Mrs. James Snow.

ENTERTAIN.

Mr. and Mrs. Edward Burbrink entertained a number of guests with an informal party Wednesday evening at their home on North Broadway. The time was spent with dancing and music and a light luncheon was served.

Those who attended were Mr. and Mrs. Charles Kasner, Mr. and Mrs. Burbrink and son, Emmitt, Misses Mary Sager, Esther Short, Thelma Rittman, Mabel Alexander, Laura Surenkamp, Esther Rittman, Mary Alexander, Lottie Surenkamp, Messrs. Lawrence Schepman, Clarence Embuff, of this city, and T. Meyers and Theodore Burbrink, of Cortland.

BIRTHDAY PARTY.

Mrs. J. F. Tunley entertained Wednesday afternoon with a birthday party at her home, corner Walnut and Sixth streets, in honor of the eleventh birthday anniversary of her daughter, Miss Evelyn Tunley. The guests were sixteen of her little friends.

Spring flowers were used throughout the rooms, and the centerpiece for the table was a birthday cake containing eight miniature candles. Flowers and small chickens were used for the table decorations, and the ices were molded in the shapes of Easter lilies and rabbits.

Small baskets filled with Easter candies were given with favors.

Miss Evelyn received a number of pretty gifts.

SIX O'CLOCK DINNER.

Mrs. Alice Judd entertained a number of young people with a six o'clock dinner at her home 114 South Walnut street, Wednesday evening in honor of the birthday an-

niversary of her daughter, Miss Minnie Judd.

The affair was a complete surprise, and a very pleasant time was enjoyed by all. The guests were entertained with music and dancing and a theatre party at the Majestic later in the evening.

The out-of-town guests included Miss Elsie Harris, Miss Maude Foster and Mrs. Leonard Miller.

LEAVES FOR CHILI.

The following is taken from the Jeffersonville items in the Louisville Courier Journal:

Miss Agnes Shea, Seymour, a cousin of Judge James W. Fortune, has departed for Santiago, Chili, where she will make her home with her brother, Ambassador Joseph H. Shea, formerly of Scottsburg.

FRIDAY MAGAZINE CLUB.

The Friday Magazine Club meeting, which was scheduled for Friday, at the home of Mrs. C. D. Billings, has been postponed. The next meeting of the club will be Friday afternoon, April twenty-third, at the home of Mrs. Nora Hancock, North Chestnut street. This will be the annual meeting and officers for the year will be elected.

LUNCHEON-BRIDGE.

Mrs. J. J. Peter and Mrs. J. H. Andrews were guests at a luncheon-bridge given this afternoon at one o'clock by Mrs. Frank Dale Thompson, at her home in Edinburg.

AGENDA CLASS.

Mrs. J. H. Darling, North Ewing street, will entertain the members of the Agenda Class of the Trinity Methodist Sunday School this evening.

MISSIONARY SOCIETY.

The Brownstown Presbyterian Missionary Society will meet Friday afternoon at the home of Mrs. Nora Heller.

COMMITTEE URGES DEFINITE PROGRAM

(Continued from first page)

clude a survey of the main channel to the river and plans for a sewage-disposal plant if necessary. All this work to be done complete for a sum less than \$2,000.00.

The situation that led up to the appointment of this committee was the fact that the City Councilmen had under consideration some resolutions proposing water drainage in different parts of the city. The resolution covering the first ward proposed work estimated cost of same to be \$18,599; that covering the Third Ward \$5,457.00; the Fifth Ward \$3,957; making a total amount of \$28,013. The Council had the City Engineer make a survey covering these improvements. In addition to the above a drainage ditch was petitioned for, extending East from the city. The estimated cost of this was \$30,000.00; of this amount the city was to pay \$10,000.

This together with the other drainage projects considered by the City Council, made a total cost for drainage of approximately \$38,000.00. In the meetings that were held by the joint committee it developed that the City has no map or plans on file showing the location, size or flow of any sewer in the city, a most deplorable state of affairs. It is hardly possible to conceive a situation of this kind in a city the size of Seymour.

We believe we voice the sentiment of the large majority of citizens of Seymour, when we state that our present sewage system is entirely inadequate to carry the sanitary sewage and storm water that now enters into it. It is generally known that parts of the Second Ward have not the proper drainage also that that part of the Third ward lying South of the B. & O. R. R. has practically no sanitary sewerage and that a large portion of the Fourth and Fifth Wards are without a sanitary sewer, all on account of the present sewer not having sufficient depth and capacity.

Although a new sewer is necessary and should be built some time the recommendation that was made by the committee, does not cover the building of a sewer but only the planning of one, so that should the Council find it necessary to divert a part of the storm water that now enters into the present sewer or plan for further storm water outlets, or make arrangements for further extension of the system, the City Engineer has a definite plan before him.

\$100 Reward, \$100

Catarrh is a local disease greatly influenced by constitutional conditions. It therefore requires constitutional treatment. HALL'S CATARRH MEDICINE is taken internally and acts through the blood on the Mucous Surfaces of the System. HALL'S CATARRH MEDICINE destroys the foundation of the disease, gives the patient strength by improving the general health and assists nature in doing the work. \$100.00 for any case of Catarrh that HALL'S CATARRH MEDICINE fails to cure. Druggists 75c. Testimonials free. P. J. Cheney & Co., Toledo, Ohio.

knows where the present sewers are located, depth and size of them and all other data necessary. In fact the Councilmen or any citizens can inform themselves by looking over the Sewer map and plans whether it would be practical to make further extensions or connections or not. Should there be any improved street work petitioned for the map will show whether this can be done or not before making the necessary arrangements for a sewer.

Should any citizen or group of citizens want to build a sewer whether this be a short sewer or an extensive improvement they will know with a certainty that whatever is done, is done permanently and will not have to be torn out and all done over again, at a future time.

We will add that the State Tax Board has given the project its hearty approval and authorized the City to arrange to pay for same.

For the small outlay involved the City Council cannot do anything that will keep down wasteful expenditure in the future, more than to have proper plans, specifications, etc. made for a complete sewage system.

SEEKS PLAN FIRST

Citizen Inquires About Cost of New Drainage Project.

We understand that the City Council in last evening's session decided to call an election on April 23, so that the citizens may decide whether they want a new sewer system or not. The fact that the City Council is submitting this to the people is very commendable. Unfortunately however, they have no definite plan to submit. The public naturally wants to know all about the proposition—how the sewer is to be built, whether they propose to rebuild the old main line to the river, so as to avoid having the water to run uphill. How they propose to take care of parts of the Second ward that are not taken care of on account of the present main channel being too shallow. What about the Third ward and these parts of the Fourth and Fifth wards that lay too low to be drained into the present sewer, whether they propose to build a new channel to the river to take care of these parts of the city or whether this will be taken care of by a sewage disposal plant and if so where will this be located.

What about the storm water that now empties into the main sewer, how will this be taken care of? Will it be necessary to disconnect all down spouts that now empty into the sewer and if so must the property owners build new, independent drains for these?

Another matter is the financial end. What will it cost? There can be no reliable estimate made on the cost of the construction until all of the above mentioned are first decided upon.

If the exact cost were known, then the question naturally arises how are we to pay for it, will the entire amount of the cost be placed on the tax duplicate and covered by direct taxation? If not what part will be assessed against the individual property? What will be the amount that the individual will be compelled to pay? As we view it this will vary in the different parts of the city on account of the depth made necessary by the plan adopted.

If the main cost of this is to be collected in the way of direct taxes what will the levy for each year be and how many years will it take to pay it?

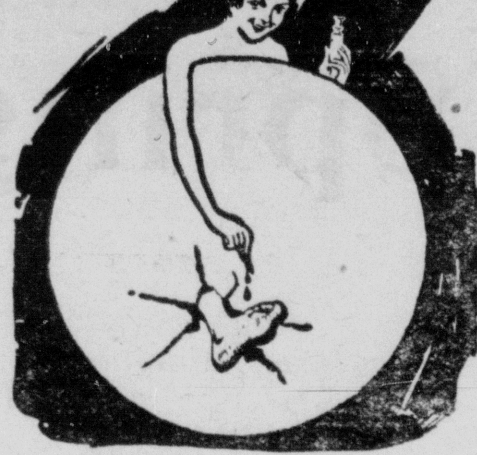

In order for the citizens to vote

Quick Action Corn Cure

"Gets-It" Stops Pain Instantly and Corn Soon Lifts Right Off.

A few drops of "Gets-It" quenches corn pains like water quenches fire. Gives you immediate relief.

"Gets-It" Feels It Off

The corn begins to lose its grip at once. In a day or two it is so loose that you can lift it off, roots and all, twist thumb and finger. That's the last of it, as millions have found out. It is the simple, effective and common-sense way to be rid of corns.

"Gets-It" the never-failing, guaranteed, money-back corn remover, costs but a trifle at any drug store. Mfd by E. Lawrence & Co., Chicago. Sold in Seymour and recommended as the world's best corn remedy by C. E. Lee and E. F. Maxon.

intelligently they should know all the facts in the case. There is too great an amount of money involved to go into the matter hurriedly without any definite well worked plan to present to the public.

It seems to me the proper steps first to have taken would have been to have carried out the recommendations of the joint committee composed of the members that were appointed by the city council and the citizens who recommended that a competent engineer be employed to make a profile, survey, plans together with all necessary data including the estimated cost of the entire proposed sewer or any section thereof.

After this had been done we would know where we were and could vote intelligently. It would also have relieved the members of the council of an embarrassing position. They could have told the voters that we have used our best judgment to get the facts to you, here is the plan that has been worked out, this is the estimate of the cost, we are submitting the whole proposition to you, it is now up to you, do you want us to build the sewer or not?

UNITED STATES TO GIVE MORAL SUPPORT TO FRANCE

Great Britain and Italy Also Agree to
Pursue Same Policy. It is
Indicated.

By United Press.

Washington, April 8—The United States, Great Britain and Italy will at least lend their moral support to France's action in occupying German cities, it was strongly indicated in official circles today. The three governments, however, are still marking time in hope that the situation which has arisen over efforts of German troops to quell their activities in rural districts will soon clear.

If the Ebert government is successful in restoring peaceful conditions in the rural districts and withdraw the troops from the neutral zones France will immediately withdraw her forces from the occupied cities it is believed here. The French are now becoming nervous as to their action in advancing into Germany it is said and will be glad to withdraw.

CHANGE OF VENUE GRANTED

Case of Rucker Vs. Keith to be Tried
at Crothersville.

A change of venue was taken today in the case of M. F. Rucker vs. Kerrie Keith, for possession of land from Justice Congdon's court to the court of Justice J. S. Campbell's court at Crothersville. The case was recently tried before a jury in this city which failed to agree on a verdict. The case was set for retrial today at which time the attorneys for the defendant asked for a change of venue which was granted. The plaintiff is represented by Edward P. Elsner and Thomas M. Honan and the defendant by John M. Lewis and Seba A. Barnes.

ALLEN SWOPE, P. M.

April 5, 1920.

The Buhner Fertilizer Company recently received a car load of German potash which is the first received here since the outbreak of the World war. Potash is used extensively in this county for fertilizing purposes and many of the farmers are taking advantage of the opportunity to get the product. The potash received here was of the first shipment of its kind sent from Germany having arrived in the United States about January 1.

T. P. J. Power's famous Kilties Band will appear in this city at the Majestic Theatre Monday and Tuesday, April 19-20. This will be the first appearance of this famous musical organization in Seymour. The band is composed of twenty-two pieces and is making a tour of larger cities through the middle west.

Mr. and Mrs. Meyers and Mrs. Walsh, of Indianapolis were the guests of Mr. and Mrs. J. V. Dehler Wednesday evening. They were enroute to Washington where they will spend several days.

COMMITTEE APPOINTED TO ARRANGE FOR CELEBRATION

Council Grants American Legion Use
of Shields Park on Independence Day.

Carlyle H. Allen, commander of Seymour Post No. 89 of the American Legion, today announced the names of members of the committee to arrange for the Independence Day celebration to be held in this city. The members are M. W. Steinwedel, chairman, Russell Bailey, George McLaughlin, William Topie, T. H. Montgomery, Leo Niehter, Francis Gates, Walter Voss, Guy Harris and Eli Shapero.

The city council in regular session Wednesday evening voted unani-

mously to allow the American Legion the use of Shields park for July 3, 4, and 5, providing three days' celebration is arranged. The committee will start working on the celebration immediately and a number of sub-committees will be appointed in the near future to assist with the work. The Legion plans to make the celebration one of the biggest out-door events ever held in Seymour.

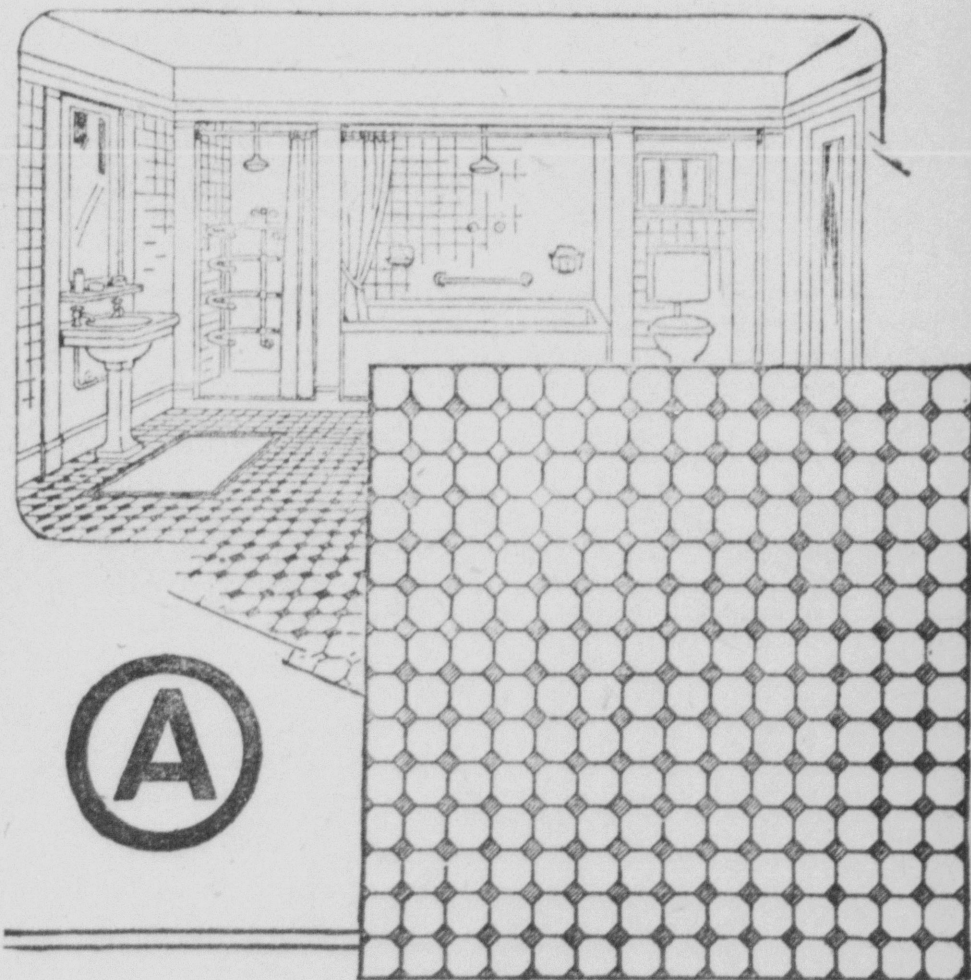

After Speculators.

By United Press.

Washington, April 8—Attorney General Palmer has instructed United States District Attorney Clyne to prosecute speculators alleged to have recently attempted a corner in May corn, it was stated at Clyne's office today.

Why there's a "snap" to the action of a CHALMERS

PERHAPS you've noticed the sluggishness, the "heaviness" of the action in so many cars of today.

Ride in this new Chalmers and you will observe the difference.

There is an underlying reason for the "snap" in a Chalmers.

It's due to the manner in which it gets results out of "gas."

As you know, "gas" has deteriorated, gone down and down in grade.

Feeding the "gas" you get today into the average engine is giving it a "food" that it can't digest. Engines have got to be redesigned.

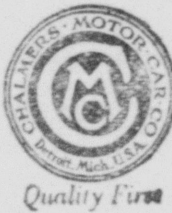

Chalmers engineers were first to act. They found the answer in Hot Spot and Ram's horn. The raw, heavy "gas" (which has just as much power in it as the so-called better grade of "gas" that once was purchasable) strikes Hot Spot,

is heated, "broken up" into very fine particles, and forms a "cloud."

Then Ram's horn, which is one of the greatest improvements ever made in engines, hurries the "cloud" before it can condense, to the cylinders.

The results are astonishing. You get an action from "gas" you believed no longer possible.

A year later you will find that those troubles which afflict so many cars today on account of the low grade "gas" situation are not to be found in the Chalmers—troubles like burned bearings, frequently fouled spark plugs, scored cylinders, repair bills that come from excessive and endless vibration. You, too, will join that growing circle which declares that Chalmers is one of the few great cars of the world.

High School Notes.

(By Chester Ault)

At the usual general assembly period Wednesday the orchestra played two selections following by singing by the school. At the closing of the singing Miss Gasaway gave several selections on a talking machine. Charles Maples sang a solo accompanied by Karl Braskett. A number of former students who were home for the Easter vacation were present. Among them were Helen Clark, Mary Lewis, Omega Wheaton, Hazel Stanfield, Thelma

Albering, Helen Dannettell and Ruth Miller.

The members of the Senior class have received hats made in their colors, black and white. As soon as these appeared, the Juniors and under-classmen appeared in hats of purple and white, the High School colors.

Frank Miller, Jackson county's representative, will go to North Vernon Friday to participate in the district discussion contest. We all hope and predict that he will win there and will enter the state contest at Bloomington April 26.

Miss Andrews, principal, has announced that the average attendance of the school is much improved and there are now comparatively few absentees.

The Practical English class has organized temporarily into a debating society. The officers are: Miss Margaret Remy, president; Mary Goodloe Billings, vice-president; Kathryn Reider, secretary.

Only seven weeks more remain of the school term of 1919-1920.

Members of the Patriot staff and the Seniors are exerting every effort to finance the publication. On Friday a number of girls under the direction of Miss Howe made doughnuts. About eighty dozen were sold and all the orders were not filled.

The organization of the Junior and Senior basketball teams is under way. Robert Keach was elected captain of the Junior and Oren Lewis of the Senior team.

The Freshmen defeated the Sophomores in the first basketball game of the inter-class series, 11 to 7.

FIRST BAPTIST CHURCH GIVEN QUOTA OF \$20,000

Total of \$43,510 Will be Raised by Baptists in This County in New World Movement.

Quotas of Indiana Baptist churches in the Northern Baptist Convention, that will participate in a financial drive April 25th, to May 2nd., have been announced by Dr. Carlos M. Dinsmore of Indianapolis, general superintendent of the Indiana Baptist Convention.

The national budget for the New World Movement of the Baptist denomination calls for \$100,000,000 of which Indiana's share is \$3,500,000. More than \$1,000,000 will be spent in home and foreign missionary work \$1,250,000 will be set aside for endowment and buildings at Franklin College, \$500,000 for church edifice fund and \$200,000 for state convention activities including evangelistic and settlement work and ministerial and missionary benefit.

A. J. Vining of Indianapolis, is in the state financial campaign director. The Rev. T. C. Smith, of Seymour, is financial director of Jackson county.

The church quotas for Jackson county follows:

Seymour, \$20,000; Ebenezer, \$615; Gorbett Chapel, \$200; Bethel, (Mannee), \$1,085; Clear Springs, \$2,870; Brownstown, \$6,135; Uniontown, \$2,470; Tampico, \$3,995; Crothersville, \$2,555; New Harmony, \$795; Woodstock, \$1,780; Bethany, \$1,010; total, \$43,510.

WOOLEN MILL SEWER TO BE CLEANED IN NEAR FUTURE

Company Will Furnish Number of Men to Assist City Employees With The Work.

The city council has agreed to accept a proposal made by the Seymour Woolen Mills Company to take up the three hundred feet of fifteen inch sewer and clean it on some Saturday when the weather will permit. The Woolen Mills propose to furnish a number of men to assist the city street commissioner and his force of men with the work.

The factory will close down on the Friday night before the date set for cleaning the sewer and all of the company's force of male employees

HOW AND WHEN TO TAKE ASPIRIN

First see that the tablets you take are marked with the "Bayer Cross."

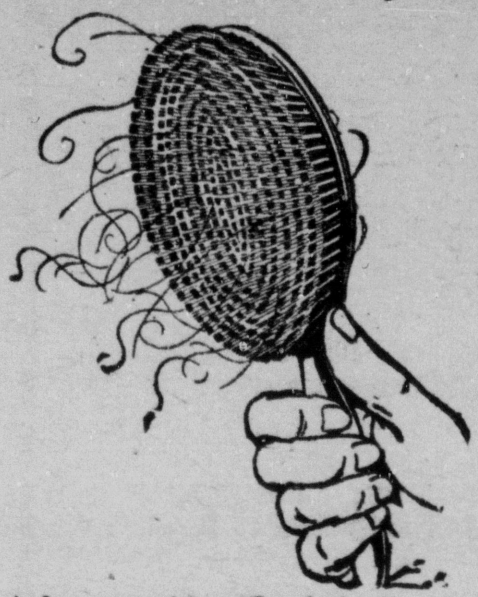

To get quick relief follow carefully the safe and proper directions in each unbroken package of "Bayer Tablets of Aspirin." This package is plainly stamped with the safety "Bayer Cross."

The "Bayer Cross" means the genuine, world-famous Aspirin, prescribed by physicians for over eighteen years. "Bayer Tablets of Aspirin" can be taken safely for Colds, Headache, Toothache, Earache, Neuralgia, Lumbago, Rheumatism, Joint Pains, Neuritis, and Pain generally.

Handy tin boxes of 12 tablets cost but a few cents. Druggists also sell larger "Bayer" packages. Aspirin is the trade mark of Bayer Manufacture of Monoaceticacidester of Salicylicacid.

"DANDERINE"

**Stops Hair Coming Out;
Doubles Its Beauty.**

A few cents buys "Danderine." After an application of "Danderine" you can not find a fallen hair or any dandruff, besides every hair shows new life, vigor, brightness, more color and thickness.

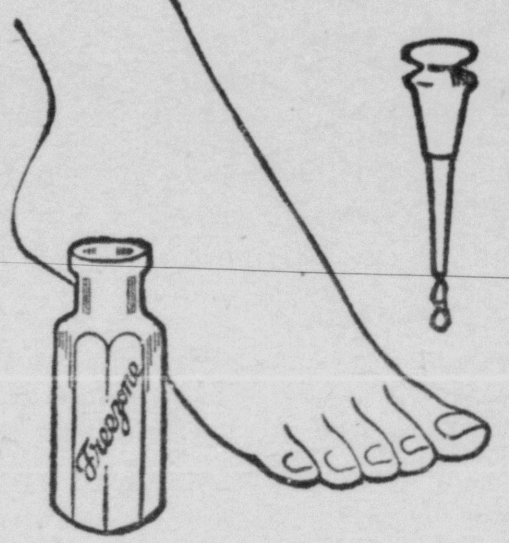

will be put to work assisting the city force. It is pointed out that the work can be completed in one day and will have Sunday to dry before being used again by the Woolen Mills on the following Monday.

Mrs. Walter Jones and children returned to their home in North Bend, O., Wednesday evening after a visit with Mr. Hugh McCullough and family.

Miss Bertha Ryan, Columbus, visited in this city Wednesday.

Lift off Corns!

Doesn't hurt a bit and Freezone costs only a few cents.

With your fingers! You can lift off any hard corn, soft corn, or corn between the toes, and the hard skin calluses from bottom of feet.

A tiny bottle of "Freezone" costs little at any drug store; apply a few drops upon the corn or callus. Instantly it stops hurting, then shortly you lift that bothersome corn or callus right off, root and all, without one bit of pain or soreness. Truly! No humbug!

HOME MADE RECIPE CATARRH AND COLDS

Nonexpensive—Cut This Out.

Thousands are making this beneficial remedy at home and anyone who has catarrh or a cold can do the same.

Ask your druggist for three quarters of an ounce of Mentholized Arcine and pour it into a pint bottle, then fill the bottle with water that has been boiled.

Gargle the throat as directed and snuff or spray the liquid into the nostrils twice daily. It's a simple way to get rid of cold and catarrh and keeps the nasal passage and throat so clean and healthy that germs of flu or any other germs will have a hard time gaining a foothold.

is the dentrifice that contains the properties recommended as ideal by United States Army dental surgeons

WAS NERVOUS AND RUN DOWN

RESTORED TO NORMAL
HEALTH BY BIO-FEREN

"I feel I owe you people a world of gratitude for the benefit I have received in using your wonderful remedy—Bio-feren Tablets, which have completely restored me to normal conditions," says Joseph E. Webb of Muncie, Indiana.

Bio-feren is without doubt the grandest and quickest remedy for nervous, run down, weak, anemic men and women ever offered direct through the druggists and is not at all expensive.

Take two after each meal and one at bed time, and after seven days take one after each meal and one at bed time until the supply is exhausted.

Then if you feel that any claim made in this special notice is untrue—if you are not in better health—if you do not feel ambitious, more vigorous and keen minded, yes, twice as much as you did before, the druggist who sold you the tablets will gladly hand you back just what you paid for them.

All druggists in this city and vicinity have a supply on hand, or can easily get it for you.

Seven a day for seven days—Wonderful results.

"NO HUNTING" SIGNS Printed on Muslin, 10 cents each, \$1 per dozen, at the SEYMOUR REPUBLICAN.

When Everyone is Spending

**Not Your Money
But Your Good Will**

We want the good will of every car owner in this town.

We want everyone to say what lots of folks say now—"Willard? That's where you get a square deal and value for every dollar."

We'd rather have your good will than an extra dollar or two on a repair job.

We'd rather sell you a battery that will give longer and better service than to make a living by repairing poor batteries.

Of course good repair work and good batteries cost more, but we believe they make friends and buy good will.

Let's get together.

LADY LARKSPUR

By MEREDITH NICHOLSON

Copyright by Charles Scribner's Sons

Raynor and Montani decided after a conference that the German agent should be taken to New York immediately, and I called Flynn to drive them down.

"It's most fortunate, sir, that you sent for him when you did!" announced Antoline, nearly bursting with importance. "The boys had heard queer sounds in the night, but could find nothing wrong. The prisoner had taken up the flooring at the back of the tool-house, and was scooping up the dirt. He'd got a place pretty near big enough to let him through. I suppose we ought to have noticed it, sir."

It was just as Raynor and Montani were leaving the house with the prisoner that we heard a commotion in the direction of the gates. I had sent the word that no one was to be admitted to the grounds, but as I ran out the front door a machine was speeding madly toward the house. A dozen of the guards were yelling their protests at the invasion, and a spurt of fire preluded the booming of Zimmerman's shotgun.

"Get your man into the car and beat it," I shouted to Raynor, thinking an attempt was about to be made to rescue the prisoner.

The touring car left just as a Barton taxi flashed into the driveway. The driver was swearing loudly at one of the Tyngham veterans who had wedged himself into the door of the machine.

Searles jumped out (I had forgotten that he might arrive that night), but before I could greet him he swung round and assisted a lady to alight—a short, stout lady in a traveling cap,

"Gosh! How my back aches!"

After Grip, "flu" or colds, the kidneys and bladder are often affected—called nephritis, or inflammation of kidneys.

This is the red flag of danger—better be wise and check the further inroads of kidney disease by obtaining that wonderful discovery of Dr. Pierce's, known as Anuric (anti-uric-acid), because it expels the uric acid poison from the body and removes those pains, such as backache, rheumatism in muscles and joints.

Naturally when the kidneys are deranged the blood is filled with poisonous waste matter, which settles in the feet, ankles and wrists; or under the eyes in bag-like formations.

Send Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., ten cents for trial package of Anuric Tablets.

Chicago, Ill.—"I was very sick. Had backache and spineache. I had used a number of remedies. Finally, I began taking Dr. Pierce's Anuric Tablets, and they helped me very much. I have also used Dr. Pierce's Pellets, and they are wonderfully active in their work. I am feeling well and robust and have the strength of ten."

—E. A. NOVOTNY, 1160 W. 19th St.

wrapped in a coat that fell to her heels. She began immediately to deliver orders in an authoritative tone as to the rescue of her belongings. Searles dived into the taxi and began dragging out a vast amount of small luggage, but my attention was diverted for a moment by Alice, who jumped down the steps and clasped her arms about the neck of the stout lady.

"Aunt Alice!" I heard her saying. "Why didn't you tell us to meet you?"

"Why didn't I tell you?" demanded the stout lady. "The moment you left me I knew I'd made a mistake in letting you come over here on one of your absurd larks! And from the row I had getting into the premises I judge that you're at your old tricks. Fired upon! Treated as though I were an outlaw! You shall never go out of my sight again!"

"Oh, please don't scold me!" Alice pleaded and turning to me: "This is Bob Singleton, your nephew."

Mrs. Bashford—and I made no question that Searles' companion was indubitably my uncle's widow—gave me her hand and smiled in a way that showed that she was not so greatly displeased with Alice as her words implied.

"Pay that driver for me and don't fail to tip him. Those Methuselahs at the gate all but killed him. It was only the vigorous determination of this gentleman, who very generously permitted me to share the only motor at the station, that I got through the gates alive! I beg your pardon, but what is your name?"

"Mrs. Bashford," I interposed, "my friend, Mr. Searles."

"Mr. Searles!" cried Alice, dropping a cage containing some weird Oriental bird which had been among my aunt's impedimenta. The bird squawked hideously.

"Miss Violet Dewing, permit me to present the author of 'Lady Larkspur'!"

It was a week later that Alice and I sat on the stone wall watching the waves, at the point forever memorable as the scene of our first talk.

"Aunt Alice isn't playing fair," she said. "She pretends now that it was all my idea—coming over to play at being our uncle's widow, but she really encouraged me to do it so I could give her an impartial judgment of your character. I'm her only niece and her namesake, and she relies on me a good deal. You know she's very, very rich, and she had never any idea of keeping your uncle's money. She meant all the while to give it to you—provided she found you were nice. And she thinks you are very nice."

"Your own opinion of me would be interesting," I suggested.

She had gathered a handful of pebbles and was flinging them fitfully at a bit of driftwood. I wished her lips hadn't that little quiver that preluded laughter and that her eyes were not the haven of all the dreams in the world.

"You are very nice, I think," she said with disconcerting detachment. "At first I was afraid you didn't like nonsense, but you really got through very well, considering the trouble I caused you. But I'm in trouble myself now. Papa will land tomorrow. He's the grandest, dearest man in all this world, but when he finds that I'm going to act in Mr. Searles' play he will be terribly cut up. Of course it will not be for long. Even if it's a big success, I'm to be released in three months. Constance and Sir Cecil think I owe it to myself to appear in the piece; they're good enough to say nobody else can do it so well—which is a question. I'm going to give all the money I earn to the blind soldiers."

(I wished the tears in her eyes didn't make them more lovely still.)

"Being what you are and all you are, it would be brutal for me to add to the number of things you have to tell your father. I'm a very obscure person, and he is a gentleman of title and otherwise distinguished. You are the Honorable Miss—"

"Papa has said numbers of times," she began softly, looking far out across the blue Sound—"he has said, oh, very often, that he'll never stop troubling about me until—until I'm happily married."

"When you came here you wore a wedding ring," I remarked casually.

"It was only a 'property' ring to help deceive you. I bought it in Chicago. When Aunt Alice came I threw it away."

"The finger seems lonesome without it," I said. "If I get you another, I hope you'll take better care of it."

"If you should put it there," she replied, looking fixedly at the hand, "that would be very very different."

(THE END.)

Two Good Books for Women

We have them both—we can supply you with both on your request—and each one of them will help the other. The first is a bank book—every woman should have her own, for the butter-and-egg dollars grow quickly into big sums when they're put away carefully. And the second is THE COUNTRY GENTLEMAN—the weekly book of farming. It's a farm paper for the women and the men, the girls and the boys—full of how-to-make-money ideas for the whole family. This bank wants the women as well as the men to read

The COUNTRY GENTLEMAN

From all parts of the United States comes the testimony of more than 600,000 farmers who regularly read THE COUNTRY GENTLEMAN, that this Great National Farm Weekly is helping them constantly to make more money. It will do the same for you—for every farmer hereabouts. It will help both farmers and their wives to build bigger bank accounts each year. We are making it easy for our neighbors to subscribe for THE COUNTRY GENTLEMAN because we believe in it. We want you to know it as we do. If you have an account with us, we'll charge it only \$1.00, on your instruction, for 52 big weekly issues. And if not, we'd like you to get both those books.

5¢ the copy everywhere

CITY TO BE STOP ON AERIAL ROUTE

(Continued from first page)

transport and New Albany preparatory to the establishment of the service.

The main office of the company is located at New Albany where hangars have already been erected. A field has been rolled and put into good shape for a landing near that city. The company has a branch office at Indianapolis with fields at Salem, Borden, Pekin, French Lick Springs and Louisville.

It is the intention of the company, Mr. Street said, to erect a large hangar on the outskirts of Louisville for all year flying and to establish a school there for instruction in flying. The purpose of the company, he stated, is to maintain a regular schedule between Louisville and Chicago. Besides passenger traffic planes will be used for express transportation, aerial advertising, exhibition flights and photographic surveying.

The company now owns two planes and an extra motor and intends to purchase some new three seater English "Avros" in the near future. Mr. Mason and Mr. Bass are ex-army pilots and Mr. Street was formerly with a photographic section of the army. All of the men have seen service in England, France and Germany.

Miss Hazel Farran, who has been a patient in the Schneck Memorial Hospital, returned to her home in Butlerville Wednesday afternoon.

PEOPLE'S SAYSO.

Telephone Petition.

The phone rates in Seymour were adjusted by the state commission December 1. Now the company contends in a new petition for increased rates—hearing set for April 10—that they are considerably lower than in other towns where the telephone property is valued at \$435,000 and the rates are fixed to yield 5 per cent? Didn't Mr. Griffiths tell us ten years ago after he had more than 562 subscribers and 526 want-

ed phone connections that it was not a paying proposition? Will he now please explain why he is spending over \$100,000 for new lines over the state? When the rural lines put a switchboard in Seymour and discontinue his changeable service rates, which are in restraint of public business, conditions will be different.

D. L. PRALL.

Mrs. John Wrape, who has been visiting her daughter, Mrs. Peter Richart for a few days, returned to her home in North Vernon Wednesday afternoon.

No need to paint again unless you want a new color

One good painting with Weatherwax protects wood for a lifetime. The part that in other paints evaporates is the part that in Weatherwax sinks in.

REILLY'S WEATHERWAX

The Liquid Wax Paint

Imperishable liquid wax fills the pores of the wood, permanently protecting it from time and weather. Your full gallon goes on or in—so it spreads twice as far. Its flat, smooth finish never peels, cracks or blisters. It never fades. Cuts your painting bill in half. Protects your wood forever. Try it today. Ask us about it.

Sacred Music

THERE is no music so sweet as the Sacred Hymns that have been sung by countless worshippers in years gone by and none can sing them like the Record Makers of the Victor Co.

Hear Schumann-Heink sing "In the Sweet Bye and Bye." No. 87307 and Sophie Braslau sing "My Jesus as Thou Wilt." No. 64845.

RETURNS WITH BRIDE.

Mr. and Mrs. John W. Ford were expected to arrive in this city today from New York, where Mr. Ford went a few days ago to meet his Belgium bride, who arrived in this country Monday. They were married in New York immediately after her arrival. The bride was formerly Miss Gibo, and met Mr. Ford while he was in service with the Eighteenth Infantry Supply Company, stationed in France.

They will make their home in this city. The groom is the son of Mrs. Margaret Ford, 36 East Brown street.

EASTERN STAR CLUB.

The fortnightly meeting of the Eastern Star Club was held Wednesday afternoon in the Masonic Club Rooms. A program of readings and contests were carried out under the direction of Mrs. Maude Wesner, chairman of the entertainment committee.

The VALLEY OF THE GIANTS

By
PETER B KYNE

AUTHOR OF "CAPTAIN RICKS"
COPYRIGHT, BY PETER B. KYNE

A Romance of the Redwoods

In this stirring narrative of the California forests, strong men battle for a section of country as big as a principality. The fight of the Cardigans, father and son, to hold the Valley of the Giants against the treachery of Colonel Pennington, and the part played by the Colonel's niece in deciding the issue, make a tale of unsurpassed interest.

The exhilarating breath of the big woods is present on every page. The reader finishes with a sense of having lived with big men and women in a big country. **Our New Serial!**

SEWER ELECTION

FRIDAY, APRIL 24

(Continued from first page)

bid be accepted. The report was ordered filed.

Several minor matters were disposed of by the councilmen before adjournment of the session which was one of the longest held for several months.

The council granted James Demas permission to keep his cluster light in front of his place of business on Chestnut street with the understanding that he is to keep it lighted in accordance with the lighting schedule by which the new street lighting system will be governed when installed.

The following claims were ordered paid:
